

## Watertown Family YMCA SACC

585 Rand Drive  
Watertown, NY 13601  
315.755.2005

### Remind.com

This year we have started a new Family Alert System utilizing Remind.com. This free system will allow us to update parents immediately regarding their individual SACC program. Updates may include:

- Snow Day information
- Daily Schedule Change
- Program emergency closure
- Registration information
  - Special Events

This is not mandatory but highly recommended. You may opt for updates via text or email or both. You will receive an initial text/email as a test when the program is up and running. You will need to accept the text/email in order to finalize your registration. If you have any questions please call us at:  
315.755.2005.

If you choose to use the program, please fill out this form and return to the SACC office.
