Any days schools have early dismissal SACC will run an extended day program. Costs will be determined by your contract schedule.

All additional programming will be offered at an additional cost beyond the normal monthly fee as these days are not charged for initially. Charges will depend on number of days registered for special programs and number of children attending per family.

Pre-registration is required for all of the above dates. Call the office at 755-2005 after the first of the month in which the special program occurs to sign up.

Reminder

The YMCA SACC program offers a snow day program on days that school is closed due to inclement weather. If school is cancelled while in progress due to an emergency situation, weather-related or otherwise, SACC will NOT be available.

If school is delayed morning SACC will begin 1 hour after normal start time. For example: 7:30am for a normal 6:30am start and 8:00am for a normal 7:00am start.

To reserve your space for a SNOW DAY program call 755-2005 after 6:45am on the day of the school cancellation. Program times will be 7:00am – 6:00pm. Payment will be due that day upon sign in. *

All full day programs require children to have the following items:

- Proper outdoor clothing (Boots, snowpants, winter coat, hat and mittens)
 - A healthy bagged lunch (no soda or fast food allowed)
 - Sneakers
 - Play clothes

If you have any questions please call 755 – 2005 for more information.

Snow day programs will run if Watertown City Schools and 1 other school district are closed.
